Be Prepared!

Although most of us don't want to think about it, bad things can happen. Severe weather, illness, injury or fire can strike suddenly. The Safety Steering Committee has been working on a plan since last winter that decreases risk of potential events and helps us respond when emergencies occur. Starting soon, you will see maps with emergency exit instructions for both the sanctuary and Gage Hall; automatic external defibrillators (AEDs) and first aid kits; additional security cameras and a professional security expert that will be present every Sunday. On September 20th, Carol Tempel, the chair of the Safety Steering Committee, will present a forum to review the comprehensive 17 page Safety Plan.

We need more volunteers for the Safety Committee to help! If you have experience with risk mitigation, medical emergencies, disaster preparedness or just want to join the coolest committee at church, please contact Carol or church administration.

## Application for the UC-Chas Safety Team

**Name:** **Phone:**

**Email:**

***Do you attend church regularly****? (please circle):* ***Yes*** ***No***

***Are you able to attend training****? (please circle):* ***Yes*** ***No***
