Our Whole Lives (OWL) is an excellent, comprehensive sexuality education program that offers our young people the opportunity to explore their values and gain accurate information about topics that are often not easily accessible. The overall goal of the OWL program is to help participants gain knowledge, values, and skills they need to lead sexually healthy, responsible lives. We are proud that our congregations recognize that in order for young people to grow into spiritually whole, mature individuals, we need to address the topic of sexuality. OWL connects our religious beliefs with sexuality, spirituality, and issues of justice.
