

VESTRY VISIONS NOVEMBER, 2017

— GAIL SCHIFFER, FIRST VICE-CHAIR

Vestry Values

The Vestry is grateful to all those who organized our celebration of Janet Watts and of her many years as our RE director! The joy and humor of the occasion truly expressed our appreciation for Janet and our good wishes for her.

Once again, the Alliance held a wonderfully successful Rummage Sale! The Vestry is, indeed, grateful for all that the Alliance does for our community in so many ways.

A special thanks to all who planned and participated in the Halloween Party. This annual event is a highlight of the fall season for our children as well as for those who just love to dress up and have fun!
